ALCON SCIENTIFIC INDUSTRIES

Manufactures & Exporters of: All types of Microscope, Physics Lab Instruments, Chemistry & Biology Lab, Math Lab Instruments, Borosilicate & Soda Glassware, Plasticware & Porcelainware Electronic & Mechanical Lab Electrical & Agriculture Lab Pharmacy & Nursing Lab

We at Alcon Scientific Industries since the year 1988 has constantly endeavored to work for the advancement of education. We believe in educating the future of our planet so that we can have better leaders, who make better choices that directly translate to better living standards for humans. Our quality standards are impeccable with products that perfectly fit your requirements.

We have and continue to partner with various schools, colleges, universities and hospitals all over the world both directly and through dealers.

QUALITY ASSURED

Our products are certified with ISO 13845: 2016 ensuring the highest standards of quality.

We also aim to respond to all emails within 24 hours to ensure quick replies to your emails and enquiries.
